La Noitech è una ditta specializzata nella vendita di parti di ricambio per pompe a vuoto e compressori. Fondata nel 2004 da uno staff di persone con esperienza decennale in questo settore, è situata nel nord ovest dell'Italia.

L'obiettivo primario dell'azienda è quello di fornire ai propri clienti un servizio di vendita e di post-vendita rapido, efficace e competente a prezzi competitivi. Proprio per questo è stato creato il servizio "PRIORITY SERVICE" che consiste nell'evasione di ordini urgenti ricevuti entro le ore 12,00, per materiale pronto a magazzino, tramite corriere espresso e senza nessun costo aggiuntivo oltre a quello della spedizione. Molta attenzione è prestata al servizio di post-vendita. Il customer service è infatti in grado di garantire un servizio competente, qualificato e soprattutto rapido per soddisfare tutte le esigenze specifiche del cliente.

Grazie ad un'accurata selezione dei propri fornitori, l'azienda si caratterizza per l'elevata qualità degli articoli che è in grado di poter offrire. Con oltre 5.000 articoli differenti, la Noitech è oggi capace di soddisfare tutte le richieste del mercato europeo, americano e giapponese e quindi si propone come un partner capace di offrire una tra le gamme più complete al mondo di filtri, kit di manutenzione, parti di ricambio per pompe a vuoto e per compressori, filtri di linea ed accessori per l'aria compressa.

Noitech offers spare part products for the most important OEMs of vacuum pumps, compressors and treatment of compressed air. Noitech was founded in 2004 by several people with more than 10 years of experience in this industry, who decided to open the premises in the North-West part of Italy after considering the strategic location in Europe.

The most important aim of Noitech is to satisfy their customers' needs and for this reason Noitech management has implemented a specific strategy, which considers the customer as the most important part of the business. Noitech guarantees a high quality standard sales and post-sales service based on delivery, reliability, efficiency and product quality at a very competitive price. Our commitment is to be a customer-focused company, so Noitech offers a 360° customer service from product specification,

packaging and branding customisation to a prompt delivery. This vision allows Noitech to become the leading organisation within this industry.

Thanks to an accurate selection of suppliers based on quality, Noitech offers one of the widest range of products for vacuum pumps and compressors in the world. With more than 5,000 different products always on stock, Noitech is able to satisfy all needs for American, Japanese and European markets and therefore is a good partner to work with.

PRODOTTI

2016

PRODUCTS

FILTRI SEPARATORI PER COMPRESSORI

I filtri separatori Noitech sono progettati specificamente per l'installazione in compressori a vite o a palette e sono disponibili per applicazioni di tipo verticale, orizzontale e avvitabile. Oltre al tipo di disoleatori standard la Noitech è in grado di offrire separatori a doppio stadio di separazione, pieghevoli e avvitabili.

AIR-OIL SEPARATORS FOR COMPRESSORS

Noitech offers separators for screw and rotary vane compressors having products for vertical, horizontal and spin-on types. Our product range offers standard separators, deep filtration system, pleated and spin-on types. Noitech air/oil separators are suitable for all brands of compressors currently on the market.

FILTRI ARIA PER COMPRESSORI

La Noitech fornisce un'ampia gamma di filtri aria in grado di soddisfare principalmente le esigenze specifiche nel settore dei compressori. In alternativa ai filtri standard in cellulosa, la Noitech offre anche elementi filtranti in fibra per applicazioni particolari.

AIR FILTERS FOR COMPRESSORS

Noitech offers a wide range of air filters able to satisfy the compressed air industry. Noitech can offer both standard and customised air filters for special applications.

FILTRI OLIO PER COMPRESSORI

Per quanto riguarda i filtri olio, la Noitech è in grado di offrire un prodotto di qualità elevata perfettamente intercambiabile con i filtri originali. Oltre alla gamma standard, siamo in grado di offrire anche modelli rinforzati per pressioni fino a 30 bar.

OIL FILTERS FOR COMPRESSORS

Noitech is able to offer high quality oil filters that can be perfectly used as original spare parts. Noitech is also able to offer oil filter ranges from standard products to heavy duty types, which can work up to pressures of 30 bars.

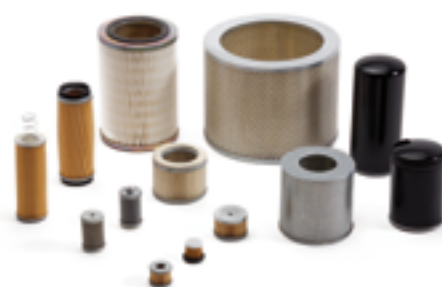

FILTRI SEPARATORI PER POMPE A VUOTO

La Noitech offre un'ampia gamma di filtri separatori per pompe per il vuoto in grado di soddisfare la maggior parte delle richieste del settore.

Tutti i filtri separatori che la Noitech è in grado di offrire, utilizzano materiali resistenti alla corrosione e in grado di sopportare alte temperature.

AIR-OIL SEPARATORS FOR VACUUM PUMPS

Noitech can guarantee one of the widest ranges of separators for vacuum pumps including, Busch, Rietschle, Becker, Leybold, Boc Edwards and thus Noitech is able to satisfy all the customer requirements. Additionally, all the separators offered by Noitech are made with materials resistant to corrosion being able to work at high pressures and temperatures.

FILTRI ARIA PER POMPE A VUOTO

Gli elementi filtranti permettono di raggiungere alti livelli di ritenzione polvere e sono disponibili con media filtrante in carta con grado di filtrazione di 5 micron, in poliestere, in acciaio inox e in carbone attivo.

AIR FILTERS FOR VACUUM PUMPS

Noitech guarantees the quality of the products that it sells. The air filters for vacuum pumps can guarantee high-level retention of dust having a filter paper-media with a filtration grade of 5 micron, and they can also be offered in polyester, stainless steel and activated carbon.

FILTRI OLIO PER POMPE A VUOTO

Per quanto riguarda i filtri olio, la Noitech è in grado di offrire un prodotto di qualità elevata perfettamente intercambiabili con i filtri originali.

OIL FILTERS FOR VACUUM PUMPS

Noitech is able to offer high quality oil filters that can be perfectly used as original spare parts.

KIT DI RIPARAZIONE PER POMPE A VUOTO

La Noitech è in grado di poter offrire kit di riparazione completi intercambiabili per le principali marche di pompe a vuoto presenti sul mercato. L'elevata qualità dei materiali utilizzati nella costruzione permettono di ottenere le stesse performance dei prodotti originali a prezzi competitivi.

MAINTENANCE KITS FOR VACUUM PUMPS

Noitech is able to offer 'full maintenance kits' for the most important OEM pumps. The quality of our products allows them to perform as well as original spare parts, but Noitech offers its products at competitive prices.

PALETTE PER POMPE A VUOTO

La Noitech è in grado di poter offrire palette di ricambio intercambiabili per le principali marche di pompe a vuoto presenti sul mercato. L'elevata qualità dei materiali utilizzati nella costruzione permettono di ottenere le stesse performance dei prodotti originali a prezzi competitivi.

VANES FOR VACUUM PUMPS

Noitech can also offer a full range of vanes for most vacuum pumps brands guaranteeing a high product quality.

PRODOTTI

2016

PRODUCTS

FILTRI COMPLETI PER POMPE A VUOTO

I filtri aria completi sono particolarmente indicati per lavorare in condizioni di vuoto assoluto. Tutti i filtri vengono accuratamente controllati per assicurarne la tenuta. Inoltre, lo speciale trattamento di verniciatura ne garantisce l'integrità nel tempo.

COMPLETE AIR FILTERS FOR VACUUM PUMPS

The complete air filters are able to work in condition of absolute vacuum. All the filters are tested in order to guarantee excellent working condition. Additionally, the new paint treatment allows the products to sustain time in perfect condition.

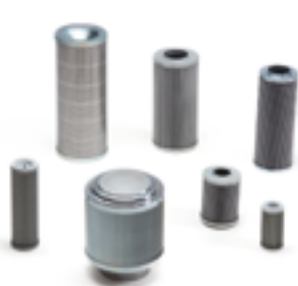

FILTRI ARIA A BAGNO D'OLIO

I filtri aria a bagno d'olio sono stati progettati per impieghi prolungati in ambienti particolarmente polverosi. L'ottimo grado di filtrazione, la lunga durata e lo speciale trattamento di verniciatura ne garantiscono l'integrità nel tempo, per poter così affrontare ogni ambiente esterno ed ogni tipo di lavorazioni meccaniche.

OIL BATH AIR FILTERS

The air filters in oil bath are used in dusty work environments. Due to their high level of filtration, long life span and a special painting treatment, these filters can be used in all mechanical applications.

FILTRI SILENZIATORI

Sono disponibili in versioni con tronchetto filettato singolo o doppio e sono particolarmente indicati per installazioni su soffianti e generatori di vuoto, sia in aspirazione che in compressione.

SILENCERS

They are available in a single or double thread and they are used for blowing or vacuum applications, in both aspiration and compression.

FILTRI IDRAULICI

Per quanto riguarda i filtri olio, la Noitech è in grado di offrire un prodotto di qualità elevata perfettamente intercambiabile con i filtri originali

HYDRAULIC FILTERS

Noitech offers high quality oil filters and thus they can be perfectly used as original spare parts.

SEPARATORI ACQUA-OLIO

Per quanto riguarda i separatori acqua-olio, la Noitech è in grado di offrire un prodotto di qualità elevata perfettamente intercambiabile con i filtri originali.

OIL-WATER SEPARATORS

Noitech is able to offer high quality oil-water separators that can be perfectly used as original spare parts.

FILTRI IN LINEA ED ACCESSORI

Per completare la gamma dei filtri per compressori, la Noitech ha sviluppato una linea di filtri e accessori rivolta a quella clientela che necessita di avere una qualità dell'aria molto elevata. È disponibile anche una linea di accessori adattabili ai vari filtri completi e una gamma di cartucce di ricambio alternative per altre marche.

IN-LINE FILTERS AND ACCESSORIES

The in-line filters and accessories allow Noitech to offer a complete product range needed to maintain a compressor. The high quality of those products are interchangeable with original spare parts.

KIT DI RIPARAZIONE PER COMPRESSORI

La Noitech è in grado di poter offrire kit di riparazione completi intercambiabili per alcune principali marche di compressori presenti sul mercato. L'elevata qualità dei materiali utilizzati nella costruzione permettono di ottenere le stesse performance dei prodotti originali a prezzi competitivi.

MAINTENANCE KITS FOR COMPRESSORS

Noitech is able to offer spare part kits needed to carry out full maintenance for most brands of compressors. The quality of our products is excellent allowing Noitech to be the answer to who needs to use products as good as original spare parts but at a more competitive price.

GARANZIA

2016

WARRANTY

La Noitech garantisce che tutti i filtri presenti nella gamma sono esenti da ogni difetto sia nel materiale che nella costruzione, sempre che gli stessi siano installati in modo appropriato e sostituiti secondo le indicazioni del costruttore.

La durata dei filtri dipende comunque dalle condizioni ambientali e di utilizzo del compressore o della pompa a vuoto, dalla qualità dell'olio e dal tipo di manutenzione che viene effettuato sugli stessi.

La Noitech sostituirà i propri filtri riscontrati difettosi ma non saranno rimborsate eventuali spese sostenute per la sostituzione né qualsiasi altra spesa accessoria connessa.

P.S: Tutti i dati riportati sul seguente catalogo sono stati verificati con la massima cura ma comunque non sono da ritenersi vincolanti. Nessuna responsabilità potrà essere attribuita alla Noitech in caso di eventuali errori o variazioni apportate agli articoli dai costruttori dopo la pubblicazione dello stesso. Nel caso di qualsiasi dubbio vi preghiamo di voler contattare il nostro ufficio commerciale che provvederà a darvi tutti i chiarimenti in merito.

We guarantee that all filters in our range are free from defects either in materials or construction, always provided that the machinery is maintained in accordance with manufacturers' recommendations and filters are correctly installed and changed.

Noitech will replace any item found to be defective as described above but will not be held responsible for any other replacement or contingencies or consequential loss.

All the data (cross-reference numbers and others dates) shown in this catalogue were fully checked but they are not guaranteed. Additionally, Noitech would not be responsible for any variation implemented by OEMs after the publication of this catalogue. Please, feel free to contact our commercial department for any clarifications.
